

Dear Church Family,

Many have asked, "When will we have in person worship?" As much as we miss the personal contact, wisdom governs our desires. We will not consider in person worship until 2021.

It is my desire for you to remain healthy and safe. We will continue to provide worship and study via streaming and prayer via conference call. We are seeking to improve our broadcasting and provide some innovative worship experiences for the upcoming holiday season. I encourage you to maintain fellowship by calling and checking one another.

Your faithfulness in giving has allowed Trinity to continue to do ministry during this season. We have even welcomed some new members to the family. Through your prayers and support, we have discovered how strong we are as a church. Our building may be closed but our church is open.

May God continue to bless you and yours. You are missed and loved.

Compelling the World,

## Dr. Victor M. Davis
